

Slide Card

At the start everyone rolls the die. The highest number gets this card and they can only use it once during the game. After completing a turn you can use this card to slide your playing piece forward 6 spaces or backwards 1 space. Turn it back in after use. Then the other players rolls the die again. The highest number gets this card. Normal play continues. Lose 50 pictures if not used at the end of the game.
